~ Classification Changes ~

Implementation: 01/07/2017

~ ICD-10-AM ~

Overview

ICD-10-AM Tenth Edition:

CODES	New	Deleted
ICD-10-AM	223	68

ICD-10-AM

Major changes:

- Revised classification and standardisation of **Obstetrics** – including a major revision of all ACS in Chapter 15 *Pregnancy, childbirth and the puerperium*
- Revised classification of **same-day endoscopy** episodes of care, with consolidation of related ACS for standardisation
- Revised classification of **procedural complications** - including a major revision of ACS 1904 *Procedural complications*

ICD-10-AM

Major changes (*continued*):

- Revised classification of **chronic pain** including revision of content and title of ACS 1807 *Acute and chronic pain*
- Revised classification of **health supervision and care of infant and child** to include those awaiting adoption or foster care placement including abandoned infants (deletion of ACS 1608 *Adoption* and ACS 1609 *Newborns affected by maternal causes and birth trauma*)
- Expansion of codes for **abnormal findings of blood chemistry** (includes revision to ACS 0303 *Abnormal coagulation profile due to anticoagulants*)

ICD-10-AM

Major changes (*continued*):

- Revision of instructions within the Conventions relating to ***Excludes notes*** and the principle of translating medical statements into code
- Revision of guidelines regarding **passive smoking** with a new ACS 2118 *Exposure to tobacco smoke*
- New **place of occurrence** codes to identify **health service area, this facility**

ICD-10-AM

Major changes (*continued*):

- Expansion of codes for Obesity to reflect grades of body mass index (BMI)
- Revised classification of cachexia
- New code for **latent tuberculosis**

ICD-10-AM

Major changes from ICD-10 updates

- Neonatal diarrhoea
- Malignant neoplasms of ectopic tissue
- Intraepithelial lesions
- Multiple system atrophy (MSA)
- Orthostatic hypotension
- Zoonotic or pandemic influenza
- Death from obstetric causes
- Abdominal compartment syndrome
- Haddad syndrome

ICD-10-AM

Minor changes:

- Revision of tabular notes/references
- Additional/revised indexing
- Minor code title revisions

~ *ACHI* ~

Overview

- Mental Health interventions
- Thrombolytic therapy
- Destruction procedures
- New cardiac procedures

~ ACS ~

ACS

- **New ACS** **10**
- **Deleted ACS** **34**
- **Revised ACS** **49**

ACS - new

- 0051 Same-day endoscopy - diagnostic
- 0052 Same-day endoscopy – surveillance
- 0053 Robotic-assisted intervention
- 0054 Specific interventions related to mental health care services
- 0943 Thrombolytic therapy
- 1012 Influenza due to identified influenza virus
- 1500 Diagnosis sequencing in delivery episodes of care
- 1505 Delivery and assisted delivery codes
- 1924 Difficult intubation
- 2118 Exposure to tobacco smoke

ACS - deleted

- 0046 Diagnosis selection for same-day endoscopy
- 0246 Familial adenomatous polyposis
- 0247 Hereditary non-polyposis colon cancer
- 0731 Corneal graft rejection or failure
- 1301 Back strain
- 1302 Chronic low back pain syndrome
- 1331 Soft tissue injuries
- 1344 Postlaminectomy syndrome
- 1415 Young's syndrome
- 1417 Percutaneous resection of kidney pelvis tumour via nephrostomy
- 1435 Female genital mutilation
- 1436 Admission for trial of void

ACS – deleted cont...

- 1501 Definition of puerperium
- 1503 'Complete' and 'incomplete' abortion
- 1509 Falling oestriols
- 1510 Pregnancy with abortive outcome
- 1513 Induction and augmentation
- 1519 Delivery prior to admission
- 1520 Multiple births
- 1534 Forceps delivery
- 1537 Decreased fetal movements
- 1538 Postnatal breastfeeding attachment difficulties
- 1539 Suppressed lactation
- 1541 Elective and emergency caesarean section
- 1542 Breech delivery and extraction

ACS – deleted cont...

- 1546 Fetal heart decelerations
- 1547 Meconium in liquor
- 1608 Adoption
- 1609 Newborns affected by maternal causes and birth trauma
- 1802 Signs and symptoms
- 1804 Ataxia
- 1921 Sprains and strains
- 2111 Screening for specific disorders
- 2113 Follow-up examinations for specific disorders

ACS – revised (sample)

- 0030 Organ, tissue and cell procurement and transplantation
- 0505 Mental illness in pregnancy, childbirth and the puerperium
- 1521 Conditions and injuries in pregnancy
- 1548 Puerperal/postpartum condition or complication
- 1807 Acute and chronic pain
- 1908 Open wound with artery, nerve and tendon damage
- 1916 Superficial and soft tissue injuries

ICD-10-AM/ACHI/ACS Tenth Edition Production Phase

- **31 October 2016** – Electronic code lists and maps were released
- **30 November 2016** – anticipated approval by the Independent Hospital Pricing Authority (IHPA)
- **31 January 2017** – print ready version to be delivered to IHPA
- **May-June 2017** – online education to be delivered
- **30 June 2017** - Chronicle released
- **1 July 2017** – Tenth Edition implemented
